

LAKE WENATCHEE WATER DISTRICT

RESOLUTION 2016 - 12-14

A RESOLUTION ADOPTING A CROSS CONNECTION RULE

WHEREAS, the Lake Wenatchee Water District does own, operate, and maintain a public water system designed to transport and supply potable water to its customer base; and

WHEREAS, it is the responsibility of the District to protect the public potable water from the possibility of contamination of pollution by isolating, within its customers internal distribution system, such contaminants or pollutants which could backflow or back-siphon into the public water system; and

WHEREAS, a cross connection is defined as “any actual or potential physical connection between a potable water line and any pipe, vessel, or machine that contains or has a probability of containing a non-potable gas or liquid, such that it is possible for a non-potable gas or liquid to enter the potable water system by backflow.”; and

WHEREAS, cross connection between the District public water source and private water source pose a potential for contamination of the public water supply system.

NOW, THEREFORE, BE IT RESOLVED, the Board of Commissioners rules to not allow any property to have a physical connection between the District public water source and any private water source.

ADOPTED, by the Lake Wenatchee Board of Commissioners, Chelan County, Washington, at its regularly scheduled Board of Commissioner’s meeting on Dec 14, 2016.
